PARTIES RAP

Rap 1

Soliste 1

*Seems like yesterday used to rock the show
I laced the track, you locked the flow
So far from hangin' on the block for dough
Notorious, they got to know that
Life ain't always what it seem to be
Words can't express what you mean to me
Even though you're gone, we still a team
Through your family, I'll fulfill your dream*

Soliste 2

*In the future, can't wait to see
If you open up the gates for me
Reminisce some time, the night they took my friend
Try to black it out, but it plays again
When it's real, feelings hard to conceal
Can't imagine all the pain I feel
Give anything to hear half your breath
I know you still livin' your life after death*

Rap 2

Soliste 3

*It's kinda hard with you not around
Know you in Heaven smilin' down
Watchin' us while we pray for you
Every day we pray for you
'Til the day we meet again
In my heart is where I'll keep you, friend
Memories give me the strength I need to proceed
The strength I need to believe*

Soliste 4

*My thoughts, B.I.G., I just can't define
Wish I could turn back the hands of time
Us in the six, shop for new clothes and kicks
You and me taking flicks
Makin' hits, stages they receive you on
Still can't believe you're gone
Give anything to hear half your breath
I know you still livin' you're life after death*
